Date: 4<sup>th</sup> March 2024

Dear Parents and Carers,

**Re: Year 3 Italian Day – Wednesday 20<sup>th</sup> March 2024**

Year 3 are currently studying Italy in Geography and to bring the unit of work to a conclusion, we are holding an Italian Day on Wednesday 20<sup>th</sup> March 2024 in school. We hope that the day will be memorable for the children and that it will further enhance their learning.

If possible, we would like the children to come dressed in red/white/green (the colours of the Italian flag). Please be mindful, that we will be doing activities outside so the children will need to be warm and wear trainers.

We would also like to let the children taste some Italian food when we have a little party in the afternoon, so please can you let us know any allergies that your child may have, that we do not already know of. You can do this via email at [y3teacher@wodensfield.org](mailto:y3teacher@wodensfield.org)

We hope that the children will really enjoy the day and that it will be a notable way to finish this very interesting unit of work.

Yours sincerely,

Ms J. Gabri, Miss V Wright and Mrs C. Tromans  
**Year 3 Teachers**
