Dear Parents and Carers,

Re: New Catering Provider

I am writing to inform you of an important change regarding our school's catering service. Starting from **Monday 28th April 2025**, we will be transitioning to a new provider.

Our decision to change providers is based on our commitment to offering the best possible meals for our pupils. The new provider has a proven track record of delivering high-quality, nutritious, and varied meals that we believe will greatly benefit our pupils.

Attached to this letter, you will find the new menu that will be in place after Easter. We encourage you to review the menu and discuss it with your child. It is vital to inform the main school office of any changes to your child's meal pattern, in advance, via office@wodensfield.org. Daily numbers are communicated with the kitchen staff to ensure that we can accommodate all pupil meals and avoid any disruption during lunchtimes.

To ensure all pupils receive their school meal without any interruptions, please make sure your child's meal account is funded in advance of a school meal. If payments are not made on time, we will follow our procedure for chasing debts and moving forward, inform the new catering provider of any outstanding balance.

If you have notified the school that your child has been advised by a GP or other healthcare professional to follow a specific medical diet due to allergies or otherwise, further correspondence will be sent in due course.

We understand that changes can sometimes be challenging, but we are confident that this transition will be smooth and positive for everyone involved. Please find attached a newsletter, which provides more details about the new catering provider.

If you have any questions or concerns, please do not hesitate to contact us.

Thank you for your continued support.

Yours sincerely,

Mrs S. Walker
