Our Vision and Values

Wodensfield Vision and Values

Our school mission statement "AIM TO BE THE BEST YOU CAN" is at the heart of everything we do at Wodensfield.

School Vision Statement

- We believe in inspiring and empowering all children to become independent, lifelong learners.
- Enabling them to become confident citizens, who make a positive contribution in the wider world.

We will achieve this by offering an inspirational curriculum which engages, enriches and excites learners in a stimulating and nurturing learning environment.

School Values

Our school vision is underpinned by our values and behaviours.

- We believe that by listening and learning from each other; we will be **AIMING TO BE THE BEST WE CAN BE.**
- We have a collective responsibility; **TREATING OTHERS AS WE WOULD LIKE TO BE TREATED OURSELVES.**
- We work together as a team.
- We reflect on our actions in order to learn and improve.

Our School Rules

Our school rules reinforce our values and behaviours.

All members of our school community work together to demonstrate that we are:

READY RESPECTFUL & SAFE

These values and behaviours reflect the

"WODENFIELD WAY"

A well-educated Wodensfield Pupil can...

By working together, we will ensure your child is equipped to embrace the opportunities awaiting them in every stage of their educational journey.

English

We will be focusing on a variety of texts including fiction, non-fiction and poetry.

We will continue to develop our independent writing skills through gaining a greater understanding of specific writing features such as the use of adjectives, verbs and adverbs.

We will be reading, retelling, role playing and reinventing a range of new and familiar stories, writing letters and reports and linking our writing to our History and Geography topics.

We will also concentrate on handwriting, forming letters correctly and improving overall presentation.

Our writing sessions will have a core theme based on spelling, punctuation and grammar.

My dragon is a fire dragon. his
breath can make cars sise like dinamite.

If you make him angry, he will
breath rings of fire at you.

~~When~~ ~~when~~ ~~he~~ flys; he lights up
the sky like the sun. He ^H lives
in the center of the sun. ~~When~~, he

~~goes~~ goes to sleep the fire ^{the} un~~the~~
sun goes out. He can turn things to

stone, make people catch fire and make things

explode. He can also turn any thing into

food. When he gets angry he will throw you

in the sun!

Working at the expected standard

The pupil can, after discussion with the teacher:

- write simple, coherent narratives about personal experiences and those of others (real or fictional)
- write about real events, recording these simply and clearly
- demarcate most sentences in their writing with capital letters and full stops, and use question marks correctly when required
- use present and past tense mostly correctly and consistently
- use co-ordination (e.g. or / and / but) and some subordination (e.g. when / if / that / because) to join clauses
- segment spoken words into phonemes and represent these by graphemes, spelling many of these words correctly and making phonically-plausible attempts at others
- spell many common exception words*
- form capital letters and digits of the correct size, orientation and relationship to one another and to lower-case letters
- use spacing between words that reflects the size of the letters.

Reading

This year, we will focus on developing a range of reading skills, including: understanding vocabulary, sequencing, predicting, retrieval and inference.

Children will continue to participate in phonics sessions until they are at a level of fluency and comprehension that enables them to access the school's Reading Journey.

We will be organising a separate Reading Meeting this term.

Children will have weekly 1:1 reading of their home reading book with an adult in school and we would ask you to continue to support reading at home at least three times a week. We also have an online subscription to Oxford Owl and will be rolling out our subscription to RWI Online.

Interventions in Year2

- We aim to run a range of Learning Boosts in Year, providing opportunities for children to catch-up and keep up. We also identify children who are working at or have the potential to achieve greater depth and build in additional opportunities for these pupils to be challenged. These will primarily be focussed on Maths and English.
- Examples include:
 - Echo reading (to support fluent reading and comprehension)
 - Maths fluency
 - Greater depth writing
 - Greater depth Maths
 - Priority readers - reading boost, phonic boost

Home-learning

Home learning consists of the children completing Mathematics and Oxford Reading Buddy activities independently.

Homework for Maths and English will be set on the Education City platform weekly.

Link will be sent out via MMe.

All passwords and logins can be found at the back of the children's yellow reading diary.

How can you support your child? Ways you can make a difference.

- Support with homework
 - Provide an appropriate space for home-learning (if possible)
- Reading at home
 - Talk about what they are/have read
- Provide time for Athletics and mental maths
- Spend 5 minutes every day to practise spellings
- Encouraging independence
 - Build their resilience and strategies for working through challenges
- Links to games on websites (see [school website](#))

Mental Health and Wellbeing

15

- We know that in order for children to succeed academically their mental health and wellbeing is vital.
- At Wodensfield all staff are committed to supporting your child to be the best they can be.
- Our curriculum aims to encourage children to develop the skills, knowledge and understanding they need to understand their feelings and be resilient to the challenges they encounter.
- We work with the Reflexions team who offer group and one to one support if needed.
- Together with your child's class teacher and teaching assistants, Miss Jamieson is also available to offer pastoral support.
- Mrs Walker is the schools Mental Health and Wellbeing lead.

Every Minute Counts

LATENESS = LOST LEARNING

(Figures below are calculated over a school year)

5 Minutes late each day	3 days lost!
10 Minutes late each day	6.5 days lost!
15 Minutes late each day	10 days lost!
20 Minutes late each day	13 days lost!
30 Minutes late each day	19 days lost!

How can you encourage and help your child to be ready to come to school in the morning?

Make sure they understand the importance of good attendance and punctuality

Discuss any problems they may have at school- inform their teacher about any concerns or difficulties. (See contact details)

It really helps to have everything ready for school the night before (bag packed, clothes ready, etc)

Make any appointments (Dentist, GP) for after school where possible

Make sure they have a good healthy breakfast

Communication is key
