Dear Parents and Carers,

Re: The Black Hole Mobile Planetarium – School Visit

As part of their science curriculum, arrangements have been made for the Year 3 and Year 5 children to take part in the Earth and Space workshop provided by the Black Hole Mobile Planetarium Company **on Monday 13th October 2025**. This is an exciting opportunity to bring to life a complex part of the curriculum and will build upon the children's previous experiences of studying the universe.

We do ask parents for a voluntary contribution towards the cost of this visit and that cost is £2.50. This contribution can be made via the School Gateway app under payments – titled 'The Black Hole'.

Thank you for your continued support in contributing to exciting learning opportunities and I hope you enjoy talking to your child about this experience that will be brought to life, in our school.

Yours sincerely,

E Wright-Jones

Mrs E. Wright-Jones
