Dear Parents and Guardians,

Re: Parent Voice Survey

We hope this letter finds you well. As part of our commitment to continuous improvement, we are excited to launch the Wodensfield Primary School Parent Voice Survey. Your feedback is invaluable in shaping our school's future and ensuring the best possible experience for our students.

Why Participate?

The survey is designed to gather your insights on various aspects of our school. By participating, you contribute to our ongoing efforts to enhance the learning environment and address any areas that need attention. Your voice matters, and we genuinely appreciate your input.

Survey Details:

The survey consists of questions inspired by Ofsted, the national education inspection body. It covers topics such as teaching quality, communication, safety, and overall satisfaction. Your responses will help us identify both our strengths and areas for improvement.

How to Participate:

Online: you can complete the survey online via [Wodensfield Parent Voice Survey](#). Your answers will remain confidential.

Deadline: please submit your responses by the end of day **on Wednesday 13th March 2024**. Your timely participation ensures that we can analyse the data effectively.

Next Steps: Once we collect and analyse the survey data, we will share the results with you. Your feedback will guide our action plans and help us continue providing an outstanding educational experience for our students.

Thank you for being an essential part of the Wodensfield Primary School community. Together, we can make a positive impact on our children's education.

If you have any questions or need assistance, please feel free to contact the school directly.

Yours sincerely,

Mrs S. Walker
