Dear Parents and Carers,

Re: School Meal Registration

To ensure the accurate number of meals are prepared each day, children are now asked each morning during registration whether they will be having a school meal or a packed lunch. We kindly ask parents to prepare their child that they will be asked this question each morning. The registers are then provided to the catering team to ensure the correct number of meals are cooked.

We, therefore, no longer require parents to inform the office of their child's meal pattern. This process can be eliminated due to the accurate daily recording by teaching staff.

Children who have pre-booked a meal during morning registration will be served accordingly. However, please note that for changes after this time, we cannot guarantee a school meal will be provided for your child.

If your child has brought a packed lunch from home, they must eat that lunch.

As always, please make sure your child's meal account is funded in advance of a school meal. If payments are not made on time, we will follow our procedure for chasing debts and moving forward, inform the new catering provider of any outstanding balance.

Additionally, if you have notified the school that your child has been advised by a GP or other healthcare professional to follow a specific medical diet due to allergies or otherwise, please return your alternate school meal form as soon as possible. The deadline to complete this was Friday 4th April 2025.

We are delighted to inform you about the successful transition to our new catering provider, Miquill Catering Services. Over the past week, we have seen a smooth and seamless changeover, and we are thrilled to share this positive feedback regarding the new meal offerings. We are excited about the continued partnership with Miquill Catering Services and will continue to monitor and gather feedback to ensure that we maintain the high standards we have set for our school meals. Please follow [this link](#) to see our school meal menu.

Thank you for your support during this transition. If you have any questions or concerns, please do not hesitate to reach out to us.

Yours sincerely,

Mrs S. Walker
