Dear Parents and Carers,

Re: End of Year Report

Your child will be bringing home their end of year report **on Tuesday 9th July 2024**. It will also contain information to support their return to school in September. I would appreciate if you could share your thoughts and comments about this year via the following link <https://forms.office.com/e/XEVTiMs44d> by the end of day, on Friday 19th July 2024. Your feedback is much appreciated and will help to inform school improvement actions.

I hope that you find your child's report to be informative; celebrating their strengths and progress, as well as identify their next steps in learning. Please join us for our parents open evening on Thursday 11th July 2024 from 3:30pm to 5:30pm, where your child(ren) will be able to show you their work and new classrooms. Details of new classes and teachers are included within this letter.

It has been wonderful to experience assemblies, parent meetings and reading sessions together, and more recently, sports days and variety performances. It has been delightful to hear such positive feedback from children and adults about the range of experiences across the academic year. For example, Science Week, the Olympic Torch handover, World Book Day, gymnastics and hockey competitions, the tag rugby festival and Choir performing at Singing in the Halls. Onsite visits from the Black Hole Planetarium, Rainforest Roadshow, Animal Man and Historical Lives. Offsite visits to Pendeford Mill, WILD Zoological Park, Tanglewood; without forgetting our adventure filled residential.

On behalf of myself, staff and the Governors, we would like to thank you for your support throughout the year.

At this time of year, we have to say a few goodbyes and I would like to take this opportunity to wish Mrs Anderson, Miss Sidney and Ms Parry all the best in their next endeavours. Thank you for your hard work and support for our children during your time with us. You will be missed.

Perhaps, always one of the hardest goodbyes to make is to the Year 6 pupils. Throughout their time at Wodensfield, whether they joined in Nursery or Year 6, every child has made a lasting impression. It has been a privilege to support their learning and development throughout their time with us. Each one has developed talents and strengths that we know will prove invaluable in secondary school and beyond. We look forward to celebrating their journey in the final week of term.
