The idea behind the kit list is to keep you comfortable during your stay. If you don't have something, try and borrow it. You don't have to buy everything new just because it is on the list.

Please note, jeans, 'short' shorts and crop tops are not suitable for activities. We advise tracksuit bottoms. Open-toed shoes are not suitable footwear for activities.

When packing, please bear in mind the weather forecast and adjust clothing accordingly.

All bed linen is provided.

Remember: your clothing may get dirty, so don't bring your best stuff.
