Date: 24th January 2025

Dear Parents, Carers and Pupils,

Re: Important Information

I hope this letter finds you well. Having given this decision a lot of thought, I am writing to inform you that I have decided to retire from my position as Headteacher at the end of this school year.

I am sure that this news may not be a surprise to many of you. Having worked at Wodensfield for almost thirty years, ten as the Headteacher it feels like the right time for my husband and I to embrace new challenges and opportunities.

It has been a privilege to work over the years, with such a supportive school community. The children are always at the heart of everything we do, making Wodensfield a wonderful place to learn. As our recent OFSTED report highlighted, Wodensfield is a caring and inclusive school, with high expectations of pupils' achievements. I am extremely proud and confident that the school is in a strong position to build on this, under the leadership of a new Headteacher.

Over the coming weeks the governing body will work to recruit a new Headteacher. Please be assured that over the coming months I will continue to dedicate my time to the pupils, parents and staff of Wodensfield Primary.

Thank you for your continued support and understanding.

Yours sincerely,

Mrs S. Walker
Headteacher
