Dear Parent/Carer,

RE: PARENT GOVERNOR ELECTION

I am writing to you to invite you to stand for election as a parent governor or nominate another parent to do so. The constitution of the Governing Board, as agreed by the Local Authority, provides for three parent governors and there is currently **one vacancy**.

The governing body, with the headteacher, has overall responsibility for the running of the school. Governing bodies have three core strategic functions:

- Ensuring clarity of vision, ethos and strategic direction;
- Holding the headteacher to account for the educational performance of the school and its pupils; and
- Overseeing the financial performance of the school and making sure its money is well spent.

No special qualifications are needed, and the most important thing is to have a keen interest in the school and be prepared to play an active part in the governing body's work. However, we would particularly welcome nominations from parents with the following skills-local business, social care and mental health. Training is available for all governors and this governing body has an expectation that those new to being a governor, attend free induction training.

The enclosed sheet summarises the circumstances under which someone cannot serve as a governor. In addition, parents/carers who have paid employment in the school for 500 or more hours per academic year or who are elected members of the Local Authority, are not eligible to stand in these elections. Nominations must be from parents or carers with children at the school on the day that nominations close.

If you would like to stand for election please complete the enclosed nomination form and return it to the school **no later than Thursday 6th March**. You should also include a short personal statement to support your nomination, which should be no longer than 250 words. Self-nominations are accepted but if you are nominating another parent, please seek their prior consent!

If there are more nominations than vacancies, the election will be by secret ballot. If that is necessary, voting papers will be sent to all parents together with details of the ballot procedure.

Yours faithfully,

Mrs S. Walker
Headteacher

Mrs R. Lambert
Chair of Governors

GUIDANCE NOTE

The Seven Principles of Public Life

(originally published by the Committee for Standards in Public Life Chaired by Lord Nolan)

Selflessness

Holders of public office should act solely in terms of the public interest. They should not do so in order to gain financial or other material benefits for themselves, their family or their friends.

Integrity

Holders of public office should not place themselves under any financial or other obligation to outside individuals or organisations that might seek to influence them in the performance of their official duties.

Objectivity

In carrying out public business, including making public appointments, awarding contracts or recommending individuals for rewards or benefits, holders of public office should make choices on merit.

Accountability

Holders of public office are accountable for their decisions and actions to the public and must submit themselves to whatever scrutiny is appropriate to their office.

Openness

Holders of public office should be as open as possible about all the decisions and actions that they take. They should give reasons for their decisions and restrict information only when the wider public interest demands.

Honesty

Holders of public office have a duty to declare any private interests relating to their public duties and to take steps to resolve any conflicts arising in a way that protects the public interest.

Leadership

Holders of public office should promote and support these principles by leadership and example.

PARENT GOVERNOR FACT SHEET

The governing body consists of parent governors, staff governor, the headteacher, co-opted governors, foundation governors, partnership governors and LA governor.

Our school has **three** parent governors.

Parent governors have all the same powers and duties as other governors. The governing body meets **twice a term, usually in the evening**. If possible every governor joins at least one of our committees. These are responsible for different aspects of the school such as **including Finance, and Standards, Safeguarding and Performance**. Committees meet **once a term** at times which suit the committee members. We also invite governors to come into school occasionally during the school day so they can understand how the school operates and see improvements for themselves.

To be eligible to stand for election as a parent governor you have to have parental responsibility for a pupil at the school. Having "parental responsibility" is not limited to biological parents, but will cover you if you are a step-parent, foster parent, grandparent bringing up the child, or permanent partner of the child's biological parent.

A few people cannot be school governors; those who have been made bankrupt or who have been in prison for certain offences may not serve for some years afterwards. School staff are not eligible to stand as parent governors if they are employed for 500 hours or more per year. If you have any doubts as to your eligibility on any of these grounds, please contact the school office/headteacher.

Parent governors hold their post for a term **of 4 years**. A candidate for parent governor post must be a parent of a registered pupil at the time the election is held. However, parent governors do not have to resign if their children leave the school before their term of office has expired. A candidate is a representative member of the parent body rather than a delegate.

- Parent governors do not have to try to represent the views of all parents.
- They should communicate with them about issues that arise, but only in so far as is reasonable: not confidential matters.
- When decisions have to be made by the governing body, each parent governor is free to vote in accordance with his/her own views.

The Governance handbook and competency framework emphasises the importance of the skills, experience and personal attitudes brought by each governor. This can be found online at https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/925104/Governance_Handbook_FINAL.pdf

In addition, it is essential that all new governors attend the Induction Course provided by Governor Services for newly appointed governors so that you are fully aware of your role and contribute effectively to the work of the governing body team. You will also be invited to attend other regular training to build your governance skills over your term of office.
