Dear Parents and Carers,

Re: Feedback on Parent Sessions

This term, we have held 'Meet the Teacher' sessions for all year groups. The aim has been to strengthen our home school relationships by identifying key staff who will support and guide children (and parents) through the academic year. Also, to provide useful information to enable home to support their child's learning journey.

The sessions were well attended but we appreciate that it is not always possible to attend events within the school day. We want to make sure that everyone is able to access the information that was shared and therefore, you will find the presentations on the school website under the class news heading - [Class News | Wodensfield Primary](#)

We would appreciate your feedback on our 'Meet the Teacher' sessions, including feedback from those parents who were unable to attend on this occasion. We are reflective on parent views, in order to improve and build on events in school, and hope you can take a few minutes of your time to complete [this form](#).

Thank you for your support.

Regards,

Mrs S. Walker
Headteacher
