Dear Parents and Carers,

Re: The Black Hole Mobile Planetarium – School Visit

As part of their science curriculum, arrangements have been made for the Year 3 and Year 5 children to take part in the Earth and Space workshop provided by the Black Hole Mobile Planetarium Company **on Monday 16th October 2023**. This is an exciting opportunity to bring to life a complex part of the curriculum and will build upon the children's previous experiences of studying the universe.

We do ask parents for a contribution towards the cost of this visit and that cost is £2.00. If you would like your child to take part in this visit, please log on to the School Gateway app, to give parental consent and pay the £2.00. Select payments and 'The Black Hole'.

If you **do not** want your child to participate then please let the school office know; this will avoid any unnecessary reminders. The deadline for parental consent and payment is end of day, on Friday 13th October 2023.

We hope that you will support this event and also enjoy talking to your child about their learning that will be brought to life, in our school.

Yours sincerely,

Mrs S. Walker
Headteacher
