1. Aims

Our school aims to:

- Have robust, clear processes in place for charging and remissions
- Clearly set out the types of activity that can be charged for and when charges will be made

2. Legislation and guidance

This policy is based on advice from the Department for Education (DfE) on [charging for school activities](#) and [the Education Act 1996](#), sections 449-462 of which set out the law on charging for school activities in England.

3. Definitions

- **Charge:** a fee payable for specifically defined activities
- **Remission:** the cancellation of a charge which would normally be payable

4. Roles and responsibilities

4.1 The governing board

The governing board has overall responsibility for approving the charging and remissions policy, but can delegate this to a committee, an individual governor or the headteacher.

The governing board also has overall responsibility for monitoring the implementation of this policy.

Responsibility for approving the charging and remissions policy has been delegated to the Finance and General Purposes Committee.

4.2 Headteacher

The headteacher is responsible for ensuring staff are familiar with the charging and remissions policy, and that it is being applied consistently.

4.3 Staff

Staff are responsible for:

- Implementing the charging and remissions policy consistently
- Notifying the headteacher of any specific circumstances which they are unsure about or where they are not certain if the policy applies

The school will provide staff with appropriate training in relation to this policy and its implementation.

4.4 Parents

Parents are expected to notify staff or the headteacher of any concerns or queries regarding the charging and remissions policy. The policy is published on the school website, therefore accessible to all parents.

5. Where charges cannot be made

Below we set out what we **cannot** charge for:

- Entry for a prescribed public examination if the pupil has been prepared for it at the school
- Examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school

5.2 Transport

- Transporting registered pupils to or from the school premises, where the local authority has a statutory obligation to provide transport

- Optional extras (see below)
- Music and vocal tuition, in limited circumstances
- Certain early years provision

6.2 Optional extras

We are able to charge for activities known as 'optional extras'. In these cases, schools can charge for providing materials, books, instruments or equipment. The following are optional extras:

- Religious education

When calculating the cost of optional extras, an amount may be included in relation to:

- Non-teaching staff
- Teaching staff engaged under contracts for services purely to provide an optional extra (including supply teachers engaged specifically to provide the optional extra)
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra

Any charge made in respect of individual pupils will not be greater than the actual cost of providing the optional extra activity, divided equally by the number of pupils participating.

Any charge will not include an element of subsidy for any other pupils who wish to take part in the activity but whose parents are unwilling or unable to pay the full charge.

In cases where a small proportion of the activity takes place during school hours, the charge cannot include the cost of alternative provision for those pupils who do not wish to participate.

Parental agreement is necessary for the provision of an optional extra which is to be charged for.

6.3 Music tuition

Schools can charge for vocal or instrumental tuition provided either individually or to groups of pupils, provided that the tuition is provided at the request of the pupil's parent.

Charges may not exceed the cost of the provision, including the cost of the staff giving the tuition.

Charges cannot be made:

Pay 360 records income in relation to dinners, clubs, trips, events, lessons, fees and subs. The system allows the school to gain consent at the time of payment. When parents give consent, they agree to their child participating in the event and all of the activities involved.

Parents must give consent on line, in advance for any activities. If payment and more importantly consent is not received by the cut-off date set then there will be circumstances when unfortunately pupils will not to be able to participate in events both on and off site.

Full refunds shall only be given in the event of the school cancelling an event/trip.

In the event of a confirmed Covid-19 case and the closure of a 'bubble' all payments shall be refunded in full.

Refunds shall be processed in the form of a cheque. Pay 360 does not allow a direct transfer via the original payment method.

Payments shall only be transferred to other events/trips if agreed by the headteacher.

Payments shall only be transferred in the event of the school cancelling an event/trip, this includes all clubs and before and after school provision.

10. Deadlines

Parents are informed of events in advance, where possible with 4 weeks' notice. Deadlines must be adhered to in order to avoid any activities or visits being cancelled due to insufficient numbers or funds.
